

Dear Lee Academy Family Members,

We are making plans for our 2023-2024 school year. In order to offset the rising cost of our expenses, we are increasing tuition by \$100 per student for the upcoming year. We are doing everything in our power to keep our tuition affordable.

Early registration has begun and will continue through March 17, 2023. During this time, families will receive a \$100 discount off their registration fee. On March 20, 2023 registration will increase to \$300 for all currently enrolled students.

Please bring a copy of your child's birth certificate and a current immunization record when registering for Cubs, Pre-School and Kindergarten. The school must have these documents the day you register. Rules and regulations regarding immunizations will be in effect for the 2023-2024 school year. Please contact your physician or local health department for details regarding these rules. Please note that the Arkansas Legislature has rules regarding the ages of Kindergarten eligibility. To register for Kindergarten, children must be 5 on or before August 1st. For more information, please contact the school office (870-295-3444). The Lee Academy after school program will continue in the 2022-2023 school year.

The registration fee ***must*** be paid at time of registration. Tuition payments will be accepted only with bank drafts, one full payment or two half installments. We will have bank draft documents ready for you at the time of registration. ***You will not be allowed to register if all tuition and fees are not current. ALL ACCOUNTS MUST BE CURRENT. THIS WILL BE STRICTLY ENFORCED!!!***

You may register at the school office from 8:00 a.m. until 3:00 p.m. daily.

- We will continue to offer a 5% discount for tuition paid in full by the first day of school for students.
- We now offer Venmo as a method of payment. Venmo address is @leeacademy-marianna
